

The background of the advertisement is a composite image. On the left, a woman is lying in a hospital bed, appearing to be asleep. She has several circular electrodes attached to her forehead and temples, with wires leading away. On the right, a veterinarian with blonde hair and glasses is shown in profile, wearing a white lab coat. She is holding a small, white and brown spotted dog and is using a stethoscope to examine its chest. The overall background is a light blue with faint, white, abstract line patterns.
