CPR for Professional Rescuers

One class only!

Tuesday, August 10, 2010

8:00 a.m. – 4:00 p.m.

Instructor: Kristin McAdoo

Fee \$77

American Red Cross CPR for Professional Rescuers (CPRFPR) is an emergency medical procedure for victims of cardiac or respiratory arrest. It is performed by emergency response professionals, or in the community by laypersons who have been specially trained through courses such as this one, which teaches more advanced life saving techniques for nurses, life guards, and emergency medical technicians.
