CREATING AN
ECONOMY
THAT WORKS

Presenter

Appearing live via teleconference, Sree Ramaswamy, a Fellow at the McKinsey Global Institute and a co-author of the recent *“An Economy that Works”* report, will address economic issues and questions common to all attendees. His presentation will be followed by a panel discussion featuring key players across regional sectors invested in building our local workforce.

Building Minds that Make It

Genesee Community College

FAME (Finger Lakes Advanced Manufacturers' Enterprise), an industry driven initiative of the Finger Lakes Workforce Investment Board, is committed to the region's advanced manufacturing community by building world-class workforce talent that have the skills, inspiration and motivation to advance the industry. Together we are—Building Minds that Make It! www.nyfame.org

Finger Lakes Workforce Investment Board (FLWIB) - improving the economic well being of job seekers and employers in the region by aligning human potential with opportunities in the workplace. www.fingerlakesworks.com

Finger Lakes Community College is a State University of New York two-year higher education institution. FLCC's 250-acre park-like campus is located in the heart of the Finger Lakes in Canandaigua, N.Y. The College offers more than 54 degree and certificate programs, including emerging technologies, environmental conservation, ornamental horticulture, viticulture and wine, music recording technology, game program and design, and tourism management. FLCC's current enrollment is approximately 7,000. www.flcc.edu

Genesee Community College is located just off the NYS Thruway in the rolling countryside outside Batavia, NY. The College offers over 60 degree or certificate programs in many emerging industries such as Polysomnographic Technology (the study of sleep disorders), Veterinary Technology, Entrepreneurship, Biotechnology, and Environmental Studies. It was founded in 1966 and now has approximately 7,500 students. Genesee's BEST (Business Employee Skills Training) Center is a local provider of training, workshops, and small business consulting for the GLOW region. www.genesee.edu

As the primary educator of the local workforce, Monroe Community College builds partnerships at every point in the pipeline to meet the area's educational and workforce development needs. Robust, innovative collaborations exist with school districts and four-year institutions, workforce development boards, industries, businesses and government. Over 25 percent of all area high school graduates choose MCC to begin their college education, and the majority of MCC career and certificate program graduates remain in the Greater Rochester area. www.monroecc.edu
