

# Printing Request

**Project Name/Description**

**Kind** Interior Wall Signs for Genesee Community College  
Digiprint outputs, 30 x 40 inches, subsurface mounted to 1/4" flame polished plexi with 1/8" black sintra backer, with 1/4" cleat hanging system.

**Amount** 16 signs

**Size** 30 (h) x 40 (w)

**Bleeds** 0.25 all sides

**Colors** CMYK and spot colors:

Enclosed are samples of existing signage system colors that ASI picked out for the college. I have tried to match the photoboards to them as closely as possible with PMS colors. If possible, please try to match the photoboards to the samples provided. Thank You!
