Some details:

- ◆ **Wear appropriate clothing (No flip flops) + GCC garb, blue & gold**
- ◆ **Bring garden gloves**
- ◆ **Bring recycled bags!**

Dog food, bird seed, pellets and garden soil bags are **GREAT** for collecting litter because:

- They don't easily rip or puncture
- They are the perfect size
- Once full, they aren't too heavy
- They stay open better for adding trash
- **Most importantly:** They are reused and repurposed for a second use!
